**Subject:** 91960-1 - extension request

Hi Jane,

We are working on your PRIAs (R351x2) for 91960-1 (548608) due this coming Monday. We are still waiting for the product chemistry reviews to come back and would like to request a 1 month extension. We don't anticipate needing the full month, but this would allow time for the reviews to be completed and help minimize another renegotiation. Please let us know if you accept a new PRIA due date of December 4, 2019 for 91960-1 (548608).

Thank you,  
Vanessa
